

...an Australian company specialising  
in recycling and reusing end-of-life  
ICT and office equipment, nationally.

Put simply, we provide better equipment disposal solutions  
for government, education and business.

# Our 30-day lifecycle commitment

our dedicated team of experts  
review your used ICT equipment

at your convenience,  
we will come to you:  
rural, regional and  
metro locations

the ICT disposal is  
transparent, flexible,  
timely and in accordance  
with EMS ISO 14001:2004

the realisable value of used  
ICT equipment is transferred  
to your nominated account

the best use of used ICT is reuse,  
but where there is no commercial value  
equipment is recycled...

*We pride ourselves in exceeding  
our clients' expectations.*

# Who We Are

**Reuse-RecycleIT** is a division of the Capital Easy Group based in Canberra.

Now in our 17th year, **Reuse-RecycleIT**, offers specialised vendor-independent ICT disposal solutions across Australia.

Our primary purpose is working alongside and in partnership with our clients, seamlessly converting surplus ICT assets into \$\$\$\$.

Our staff is known for their technical innovation, service delivery, experience, marketing expertise and customised reporting solutions.

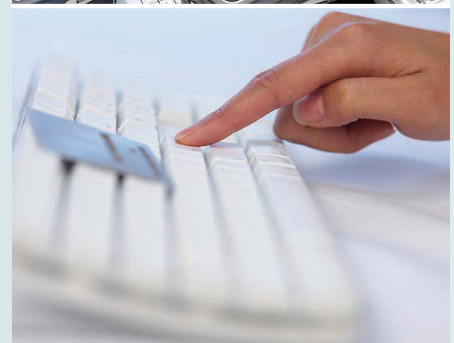

We are most proud of our ISO:14001:2004 Environmental Management Certification (Bureau Veritas). It's nice to know you are doing the right thing by the environment, while giving customers the maximum return on their ICT investment.

# What We Do

The **Reuse-RecycleIT** remarketing model is unique.

As our client, you have access to our vast number of specialised buyers both in Australian and overseas. Our disposal channels are vendor independent, ensuring the return on your investment is maximised. It also provides you with disposal services that are flexible, extensive and innovative.

**Reuse-RecycleIT** provides all clients with tailored, comprehensive, environmental, financial and data sanitisation reports. This is just part of our 30-day lifecycle commitment to you.

# Who We Help

Our clients include many of the most successful profit-driven, technologically advanced companies in the world, and more than 75 per cent of our work over the last 17 years has been with government departments.

**Reuse-RecycleIT** has a significant track record alongside government, education and business.
